

July Bulletin 2014

SSOS GENERAL MEETING – 10 June 2014

Treasurer Jan Robinson opened the meeting and welcomed members and guests. Jan explained that the President was on holidays, the Vice President was recovering from a knee operation and the previous President was unable to attend.

Jan then asked for a member to motion that our May meeting minutes which were distributed to members through the Bulletin, either by mail or email, be accepted as accurate. Motion by Gary Hodder. Carried.

CORRESPONDENCE received:

- Orchid Society of NSW April and May 2014 Orchid News
- Eurobodalla Orchid Club May and June Newsletters.
- Bankstown Orchid Society April/May 2014 newsletter
- Orchid Societies Council of Victoria Inc. brochures for Melbourne Orchid Spectacular 2014. The Orchid Spectacular will be held on 22, 23 & 24 August 2014 at KCC Park (State Dog Centre) Skye Victoria.
- Trans Niugini Tours are organising the annual Mt. Hagen cultural Show/Sing Sing in New Guinea on 16 & 17 August 2014
- Information and Expression of Interest for 20th AOC Conference & Show in Mackay North Qld in 18 -23 September 2015. They are calling for vendors, exhibitors, speakers, judges and volunteers.
- Information booklet and entry form for Royal Adelaide Show to be held on 5-14 September 2014
- Invitation from ANOS Mid North Coast Group for their Kempsey Speciosum Spectacular and Native Orchid Species & Hybrid show on 6 & 7 September 2014
- Flyer for St Ives Orchid Fair on 15, 16 & 17 August at St Ives Showground.

TONIGHT : Craig and Graham Scott-Harden presented photos of native orchids of Western Australia. The photos were taken over a 4 day period on a bus trip in the Margaret River to Albury area, where they found 70 – 80 species in flower. The members were impressed with the beauty and variety of the orchids and the quality of the photos.

JULY Meeting: Jim Brydie will be talking on Pleurothallidiinae

AUGUST Meeting: To be advised.

We are looking for volunteers to man the stall for half a day on either Friday or Saturday. If you would like to volunteer please let either Louise or Rhonda know.

- SSOS 62nd Winter Show will be held from Thursday 19 to Sunday 22 June 2014 at Swanes Nursery. Set up will be on Wednesday 18 June from 1pm. Louise distributed Show Schedules at the meeting. People who wish to put on a table top display were asked to contact Bob Moar at least 24 hours prior to setup. Members were asked to volunteer to assist with set up, the sales bench, security, selling raffle tickets and a potting demonstrator. We also need an assistant to Bob Moar as Show Marshall. Members were asked if they were able to assist in any of these roles, please see Louise Gannon and include your name on the volunteer roster. Plants will be received from 4pm to 6.30pm on Wednesday. Completed yellow Registration Cards and Show Entry forms need to accompany your plants. We are also looking for large plants for use in the potting demonstrations. Any genera will be suitable provided they are free from pests and disease. Members are welcome to bring plants to sell on the sales table. As usual 2 tags are required, one with the plant's name and the other with your name and price. Plants must be healthy and free from pests and disease. A society commission of 15% will apply to all sales. Members are asked not to park in Swanes car park during the show but on the southern side of the nursery or in a local street. It is OK to drop off your plants from the carpark and then quickly move your car.
- Mingara Orchid Fair at Tumbi Umbi on the Central Coast is on 28 & 29 June. May is organising a bus trip to the Fair and Royale Orchid Nursery at Peats Ridge for Saturday 28th leaving at 7:45am. The cost is \$25. Please see May if you are interested in going.
- We would like to remind members that members are urgently needed to fill the vacancies on the Orchid Spectacular's Committee. Please speak to Murray or Frank if you are interested. Plus our own committee would like more members as well.
- Just a reminder for the Novice Group that Daniel Coulton organises. The meetings are held on the 4th Tuesday of the month at the Uniting Church cottage, Nattai St. Loftus. Please speak to Daniel if you would like to come along. All members are welcome.
- Jan Robinson spoke about how she became interested in growing orchids. She was inspired when she visited Heathcote's Orchids large orchid greenhouse when it was in Engadine, and purchased four orchids. Following her attending one of the Society's meetings she was hooked and it changed her life forever.

SUPPER: Thank you to Carol Bremner, Jeanette Rose and Cheryl Matheson for preparing the supper. Also Cheryl Matheson for bringing the cakes etc.

Thank you to John Costa who managed the Sales table and Bob Nicol for selling the raffle tickets.

LUCKY PLANTS: Wal Chapman, Sandra Crosby & Tony Costa, John Costa.

NAME BADGE DRAW: No members were successful.

RAFFLE: Heath Myers, Sandra Crosby, Archie Mitsios, David Went, Shannon Black (2), Owen Sutton.

TREASURER'S CHOICE: Daniel Coulton's *Coelogyne mooreana* as it is a big specimen with beautiful flowers and well grown.

Thank you to Jan Robinson for chairing the meeting.

Our Winter Show

1 Our hard working volunteers

Wasn't the weather great for our Winter Show this year! After all the years of rain that we have had and being so cold underfoot, to see the sun shining, was just wonderful.

Congratulations to Neville Roper for winning Grand Champion with his magnificent plant of Dockrillia Tweetas 'Red Lips', and to S. T. Ho for winning the Reserve Champion prize with his Paph. Orchilla 'Chiltern'

Congratulations to all our Champion winners especially our Secretary, Rhonda Jackson who won the Champion Orchid Exhibited by an Intermediate, Novice or Junior with her Cattleya unknown. A full list of class winners is printed further in this bulletin. A total 148 orchid plants were exhibited.

Thankyou to all members who helped make the 4 days a success.

It's impossible to name everyone but a special mention to Show Marshal, Bob Moar, who although was not present throughout the Show days put in a big effort in collecting the table legs, with the help of Owen, setting up with the help of members and staying till Judging was complete and then reversing it all on Sunday. Thanks Bob. Thanks to Janette, Carol & Cheryl for the Judge's Supper, Cheryl and Jan for being the 'runners' ie. bringing the individual results up to the recorders, Murray for helping me record. John Costa, Archie, John Field, Gary & Ho for helping behind the Sales Table. Our potting demonstrators who stepped up to help - Dan, Wal and Neville - the potting demonstrations are very popular with the public. Also, Diane Hannah for her delicious home made biscuits and slice had with a nice cup of tea, helped us all to keep going.

Swanes Nursery did us proud once again with a lovely clean area to put up our tables etc. preparing a spot for our potting demonstrations and allowing us to use their bark and pots, the use of their kitchen and not forgetting their sponsorship in prize vouchers and ribbons - it's all those little things that add up. We are very lucky to have them as our sponsors and I hope you give them your support when you need your nursery items.

In 9 weeks we do it all again for our Spring Show, so keep preening your orchids and look after those spikes so we can have another spectacular Spring Show.

The winner of the raffle was a Mrs Pettit who was very excited on winning the lovely display of orchids.

Louise Gannon
Show Secretary

3 Rhonda The very happy winner of the novice and intermediate champion

Playboys, Pee Buckets and the Scenic Way There

AT 7:45am on the 28th of June 11 members of Sutherland Shire Orchid Society boarded the bus bound for the Mingara Orchid Fair on the central coast. The trip started auspiciously with Owen and John yelling and pointing out the window trying to guide the driver through all the roadwork in Sutherland.

After getting settled and on our way the lollies came out, a few magazines were passed around and all manner of topics orchid were discussed. However, after some time a few passengers noticed that we were not necessarily taking the most direct route to Mingara. Indeed several minutes later the bus pulled into a side street in Silverwater and picked up some extra passengers apparently the family of Jackie our bus driver (I feel we may have some more members next month). Nevertheless we continued up through Hornsby but

within minutes of getting onto the motorway up to Gosford we became stuck in traffic. It turned out after everyone consulted their trusty smart phones that there was a truck fire some ten kilometres ahead and that this traffic jam in combination with the first day of school holidays was the result. But after some hours and several new insights we finally found ourselves at Mingara Recreation Club at 11:30am May told us we had two hours as we were getting off the bus before we had to leave to go to Royale Orchids so everyone charged for the orchid show.

When we got in it was packed people and orchids everywhere. All the popular nurseries were there and even a few I had never seen before. From what I saw, everyone picked up something nice to add to their collection with cattleyas

and oncidiums popular. Then we all had some lunch in the club with many taking the time to have a refreshing beverage to cool the frazzled nerves from the trip.

Then all be it a little late we got back onto the bus and hurriedly left for Royale Orchids and arrived there some 30 minutes later. Everyone had a good look around and again most people left with a few more orchids indeed they also left with some farm fresh strawberries that i can testify were delicious. Then finally we all got back on the bus for the last time for the trip back home arriving back in Sutherland around 5:30pm with everyone having had an exciting day.

But if you want the unsensitised version of what happened you might need to ask someone who went.

Daniel

CATTLEYA.....Dennis Diehm

The mini Cattleyas that Dennis produces are space efficient, will flower 2 or 3 times a year and the genera used in their breeding allows them to be grown cooler. Their colours are numerous and varied. They can be spotted, have splashes and can be scented. Dennis' work with seedlings gives him many unexpected variations and results.

Position:

Position them high in a bush house or outdoors with shade. In cold and frosty areas they may need cover. They can grow as low as 4 to 8 degrees and as high as 30 to 35 degrees.

They can be grown indoors in indirect sunlight.

In Dennis' area he removes the shade cloth from his roof from May to August.

Watering:

Hand watering helps with plant observation.

In Winter Dennis waters once every 7 to 8 days. In Summer he waters every second day or night. Night watering saves new growth rot.

In hot periods, plants and floor can be misted.

Fertilising:

Dennis fertilises every week with organic fertilisers or fish emulsion. However from

February to April he changes to a chemical fertiliser with high nitrogen which is used at ½ strength and the product varied.

Pests and Diseases:

Cattleyas have the usual pests and diseases so treat as for other orchids and use a fungicide that works for you.

Deal with individual plants rather than treat the whole collection. A night walk with a torch will reveal nasties.

Good sound growing conditions with adequate air movement will ensure few problems occur.

Most bacterial infections are caused by over watering.

Virus only shows up in cattleya flowers.

Pots and Re-potting:

Clear phalaenopsis pots are used allowing Dennis to see air pockets and prod down the mix.

Most cattleya can be potted all year round except January to March. It should be done

when the plant is crawling out of the pot. After re-potting they should be watered and kept in the shade for 2 weeks.

Potting Mix:

Dennis' current mix is:

60% bark either 6 - 9mm or 9 - 12 mm depending on plant size.

30% jumbo perlite

10% charcoal

Would you like to WIN BIG?

Well its Happening Again This YEAR!!!

Do you know something about orchids?

Have you been to a recent orchid event?

Then you could win big in a NEW competition.

All you have to do is write an article and have it published in the Bulletin and you can go in the running to win a \$50 Bunnings Voucher, that's right a \$50 Bunnings Voucher for your efforts.

It doesn't need to be long and you don't need to be an expert all we are looking for is original articles whether they be a show report, a few photos and text about some orchids you saw on a holiday maybe even a book review on an orchid book as well as articles on any aspect of orchid growing you like. Novice members are encouraged to contribute.

All Entries should be forwarded to the editor

All is appreciated if you have any queries about whether something is appropriate then contact Dan Coulton djc388@uowmail.edu.au, Ph 0419466986.
