Frank Daniel opened the meeting and welcomed members and guests. He asked for a member to motion that our July meeting minutes which were distributed to members through the Bulletin, either by mail or email, be accepted as accurate. Motioned by S Crosby. Carried.

CORRESPONDENCE received:

- Flyer from Caringbah Garden Club for their Spring floral and garden show on 13 September 2014
- Newsletters from Orchid Society NSW, Eurobodalla Orchid Club and Bankstown Orchid Society.

TONIGHT'S SPEAKER: Geoff and Jean Fulcher presented to members on their recent trip to North Queensland for the Tropical Queensland Orchid Conference in June 2014, when they saw beautiful orchids in the Mossman Gorge area. The variety of orchids was very impressive.

SEPTEMBER meeting: Graeme Davis on Australian native Dendrobiums

OCTOBER meeting: Deflasking night

NOVEMBER meeting: Alan Stephenson will talk on spuds (terrestrial orchids)

DECEMBER meeting: Christmas party

ITEMS OF INTEREST

- It is with regret that we announce that Col Campbell passed away last Thursday from pneumonia. Col had not been well and went into care last year. He was the Treasurer/Auditor of our Society for many years. He enjoyed growing a variety of orchids, but mainly cattleyas and cymbidiums. His funeral was on Wednesday 13 August at the Woronora Crematorium, South Chapel at 2pm.
- We are pleased to announce that Richard Dimon has been appointed to fill a casual vacancy on the Society's committee. Welcome Richard.
- Our Society had a table at the recent Sutherland Shire Council Retiree Expo on Friday 25 & Saturday 26 July 2014 at Tradies, Gympie where we spoke to people about our society and handed out flyers. Thank you to those members who volunteered at the table and those who brought flowers to decorate the table. Our table was very eye catching when you walked into the room.
- The Society wishes to thank Daniel Coulton for his generous contribution in leading the novice group meetings for the last 3 years. Daniel has advised that he is no longer leading this group. His expertise and time is greatly

Events

- **September Meeting** on the 8th of September will have the Graeme Davis on Australian native Dendrobiums

appreciated by the Society and Novice group, who will miss his knowledge, patience and friendly presence. The Society is looking for a volunteer to replace Daniel. The meetings were held on the fourth Tuesday of the month at the Loftus church house. The meetings can continue at this time or at a time suitable to the volunteer. Is anyone interested in taking on this role in the longer term or even for the next few months? George Birss has offered to hold a Novice group meeting on Saturday afternoon, 15 November at his house. Until we have someone to take over the novice group the meetings no further meetings will be held on Tuesday nights.

- Our Spring Show will be held on Thursday 28 to Sunday 31 August 2014 at Swanes Nursery, 80 Port Hacking Road, Sylvania. Louise prepared a roster with defined roles for members to put their names against. Helpers are requested for show set up from 1:00pm on Wednesday 27 August and taking down on Sunday from 4:00pm to 6:30pm. Healthy and pest free plants will be received at Swanes on Wednesday 27 August from 4:00pm to 6:30pm. Members need to complete the buff coloured plant registration cards plus the booking-in sheet to display orchids. Members are reminded not to park in the car park at Swanes. Members can sell healthy and pest free plants on the sales table provided each plant has 2 tags, one with the plant's name and the second with your name and the price. Members wishing to sell plants from the display need to supply the sales table with a list of their plants for sale with the name of each plant and price. The Society will place a small *for sale* card at the front of the plant at the show. Plants cannot be removed from the display until after 3pm by the Show Marshall. A 15% commission applies to all sales. Please remember that **only sales table volunteers** are to enter behind the sales table. The committee reserves the right to remove any plant not suitable or in a proper condition for the display or for sale to the public.
- Southern Orchid Spectacular will be held from 3 - 5 October at Caringbah High School. It will have a full complement of vendors, with those from last year not returning this year. The SSOS will have a sales table again this year.

RETIREE EXPO

Sutherland Shire Council organised a Retiree Expo recently and invited a number of the Shire community groups to attend.

It was held on Friday/ Saturday 25th & 26th July at the Tradies, Gymea. Our Society arranged a lovely tabletop display of orchids which was admired by many visitors.

A large number of visitors took our newly printed flyer promoting our Society plus flyers for our upcoming orchid shows.

This was the first time the Council had organised such an event and it proved to be quite successful in showcasing to the Shire residents who are planning to retire or who are retired, the number of widely diverse groups that are in the area.

The Mayor opened the event and said that they will be continuing to promote the Shire's organisations by holding a similar event next year and into the future.

I would like to thank Cheryl Matheson my co-partner in this event and to our members, Jan Robinson, Rhonda Jackson, Pamela Middleton, Diane Phillips & John Moss for their help over the 2 days plus May Luk and John Moss for allowing us to use their orchids.

Would you like to WIN BIG?

Well its Happening Again This YEAR!!!

Do you know something about orchids?

Then you could win big in a NEW competition.

All you have to do is write an article and have it published in the Bulletin and you can go in the running to win a \$50 Bunnings Voucher, that's right a \$50 Bunnings Voucher for your efforts.

It doesn't need to be long and you don't need to be an expert all we are looking for is original articles whether they be a show report, a few photos and text about some orchids you saw on a holiday maybe even a book review on an orchid book as well as articles on any aspect of orchid growing you like. Novice members are encouraged to contribute.

All Entries should be forwarded to the editor

All is appreciated if you have any queries about whether something is appropriate then contact Dan Coulton djc388@uowmail.edu.au, Ph 0419466986.
